## QUALITY POLICY

It is our goal to be the market leader in the chosen line of Business.

We are committed to "Customer Satisfaction", as this is the foundation on which we will build Customer Confidence and Loyalty

By

Understanding their current & future needs, meeting and exceeding them through agreed terms to ensure they get "Value for Money" in terms of **"Quality"**, **"Service"** and **"Time"** in all our operations.

This will be achieved by the BB team using their cross Functional expertise in setting clear objectives and achieving them in line with our vision and commitment to continual improvement.
